Liro Color

eBook Reader with 7" TFT touch screen, MP3 player and Wi-Fi

Thanks to its Wi-Fi connection, the Liro Color provides an unlimited reading experience. Due to backlighting, the 7 " (17.7 cm) wide TFT touch screen enables reading even in the dark and a position sensor ensures that the device can switch automatically between portrait and landscape format. The internal memory of 2 GB as well as the microSD-/ microSDHC card slot for an expansion up to 32 GB of storage capacity accommodates a lot of space for many eBooks and music albums.

The Liro Color supports all common eBook formats, such as ePUB, PDF, TXT, FB2, PBD and RTF – of course with Adobe DRM as well – and with the integrated MP3 player you can play files of the formats MP3, OGG, WAV, WMA and Flac. While reading, 5 adjustable font sizes and the zoom function provide highest reading comfort. Additionally, the reader contains an intuitive bookmark manager. And while listening to the music, 6 equalizer settings, ID3 tag display, shuffle function as well as 3 repeat functions increase the listening pleasure.The built-in Li-polymer battery provides up to 30 hours of music or up to 7 hours of reading pleasure and is charged via micro USB 2.0 cable.
